#### Footnote:

The "UNM Department of Pathology: Faculty Publications for 2021, sorted by Divisions" was prepared by Yuki Yafuso, under the direction of Nancy Risenhoover.

Calendar Year 2021 January through December publications were defined thus:

- Includes e-publications in January-December 2021 and print publications in January-December 2021
- If an article was e-published in January-December 2020 and print published in January-December 2021, then the article is excluded from the January-December 2021 publication list
- Includes books and book chapters published in January-December 2021
- Does not include abstracts
- Does not include patents
